

SIGNS OF FUTURE INDEPENDENCE

They made their own money (cash flow)

Trade w/ countries other than GB.

Ideas of the Enlightenment

- Ben Franklin is the man!

As societies such as N. England became more and more structured, they had the feeling that they could accomplish their goals alone!

Representative Governments

Cultural differences between North and South are growing

Scotts Irish lack of respect for the British government

UNIQUENESS OF BRITISH NO. AMERICA (as compared to Europe)

Slavery

chance to move up socially

Salem Witch Trials
