

While we watching Into the West as a class, your assignment **at home** is to read through Chapter 14 of the textbook and the notes outline posted online. While reading, answer the questions below and be prepared to discuss the material in this chapter after we finish the video.

The plan is to discuss the post-Civil War industrialization starting on Thursday, January 11th (A mod) / Friday, January 12th (B mod) and finish our discussion Tuesday, January 16th.

The questions to answer are listed below.

Section 1: The Expansion of Industry

- Why did the U.S. become an industrial power?
- Main Idea Question A (on sidebar of p. 438)
- Main Idea Question B (on sidebar of p. 439)

Section 2: The Age of the Railroads

- Main Idea Question A (on sidebar of p. 443)
- Main Idea Questions B & C (on sidebar of p. 444)
- What caused the Pullman strike?
- Main Idea Question D (on sidebar of p. 445)

Section 3: Big Business and Labor

- Main Idea Question A (on sidebar of p. 448)
- Note: be able to discuss the difference between horizontal and vertical integration
- Main Idea Question B (on sidebar of p. 449)
- Which is a better description of Carnegie, Rockefeller, and others, "captains of industry" or "robber barons"?
- Main Idea Question D (on sidebar of p. 450)
- Main Idea Question E (on sidebar of p. 451)
- Main Idea Question G (on sidebar of p. 453)
